Hi Nick,

Please find attached a draft of the ASAOC we discussed. Please note that several internal references are off—I plan to fix those once we're closer to a final version. Otherwise, let me know if you have any questions. If you can get me any comments you have by next Thursday, I'd greatly appreciate it. Thanks!

Best,
Leo

SETTLEMENT CONFIDENTIAL/FOIA EXEMPT

Hi Nick,

Tedd Termunde with HUD just called to let me know that the demolition plan will be going out for comments this Friday. This Thursday I'm planning to send you a draft of the agreement between EPA and ECHA that we talked about

Enforcement/Investigatory / Ex. 7(a)

Please note that I will be out of the office Monday through Wednesday of next week. I will have limited access to email, but no access to the phone. Let me know if you have any questions. Otherwise, you should be getting another email from me on Thursday. Thanks!

Best,
Leo
